PLACEMENT CELL

Prudence Group of Institutions has an independent placement office that offers information, advice, guidance, and support for aspiring students with a well-equipped room for interview and counselling. The well conceived placement cell regularly conducts training, written tests, group discussions and pre-placements talk to enhance growth. It plays a vital role in guiding students to their successful careers.

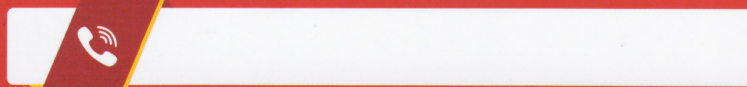

The placement cell create a bridge between students and interacts with reputed hospitals in order to identify their requirements and mold the students to meet the industry standards. Many of our students have been appointed and working in well-reputed hospitals, health care centers and institutions in India and abroad.
